Never been to Troop 224? Halloween is the perfect night to visit.

Come in costume. Bring your family. Bring your courage.

We're celebrating 10 years of Halloween mayhem with a night full of the things that make Troop 224 different:

ANY PACK 710 SCOUT WHO BRINGS A NON-SCOUT FRIEND WILL BE DEALT A GHOULISH PRIZE!

PUMPKIN MASSACRE

Take on the pumpkins at our axe yard and tomahawk range.

CRAZY COSTUME CONTEST

The weirder, the better. Scouts. Adults. Everyone is fair game.

CREEPY S'MORES

Because regular s'mores aren't nearly scary enough.

GLOW-IN-THE-DARK HIDE & SEEK

Our haunted forest is waiting.

THE SPIDERWEB

Test your Scout skills and see if you can make it through.

POCKET KNIFE APPLE CARVING

Bring your pocket knife and whittle the creepiest apple.

NEVER BEEN TO TROOP 224?

Halloween is the perfect night to come check us out.

We're not an indoor troop.

We meet outside, rain or shine, every Monday, with a weekly campfire, Scout skills, games, challenges, camping, service and plenty of time for Scouts to lead the way.

You don't need to know anything about Scouting.

You don't need to bring anything special.

Just come have some fun.
